

Dear Community Partner:

Thank you for the support that you provide to our organization. We appreciate your partnership.

For more than 32 years, our agency has been dedicated to helping those in crisis as well as supporting those who have lost a loved one to suicide. Suicide knows no boundaries. It impacts all communities in Arizona, and every age, ethnicity, faith and profession. Friends and family are impacted for life.

Approximately 1,300 Arizonans die by suicide each year, leaving behind friends and family members (Survivors of Suicide). For each loss, an estimated six family members and another 15-20 extended family and friends are intimately affected by this death. Based on these numbers, there are at least 25,000 new Survivors of Suicide each year in Arizona. Because Survivors of Suicide are at greater risk of engaging in suicidal behavior themselves, providing support to this population can save lives.

On February 8, 2020, EMPACT-SPC is hosting the **14<sup>th</sup> Annual Jeremyah Memorial 5K Walk/Run to Support Survivors of Suicide**, a day to honor those who have died by suicide, to increase awareness about the issue of suicide, and to raise dollars to make sure programs are available for suicide prevention and postvention.

Please help us by becoming a **Lead Partner, with a contribution of \$1,000.00**. As a **Lead Partner**, your agency logo will appear on the event brochure; also, you will receive special recognition on our website and at the event. Your agency will be given table space to be an exhibitor at this event.

You also could join as a **Support Partner, with a \$500.00 contribution**. This investment will include several benefits, such as special recognition on our website and at the event.

If you are interested, please complete the form below.

Warm Regards,

*Sandra McNally*

Prevention Manager
