

Hi Everyone:

Due to a recent decision made by the City of Tempe Parks and Recreation Department, based on directives from the Arizona Department of Health Services, in-person events have been cancelled, unfortunately.

Therefore, the *15th Annual Jeremyah Memorial 5K Walk/Run to Support Survivors of Suicide* has been moved to a [virtual event only](#).

Please join us on **Saturday, February 6th, at 8am**, for the **Virtual Walk Ceremony**, which will be livestreamed on Facebook: <https://www.facebook.com/jeremyahmemorial>

Please tune in and watch the ceremony with family/friends. At the conclusion of the ceremony, we encourage you to take a walk, in remembrance of your loved one. You will be joining hundreds of other Survivors who will be walking at the same time, honoring those they have lost to suicide. If you would like to email me a 10 second video clip of your family/friends walking on February 6th, our plan is to develop a video montage to show on our Facebook page.

We appreciate your understanding of the changes we have needed to make this year with regards to the Jeremyah SOS Walk. Please know that this event continues to be very important to EMPACT-SPC and we hope you will choose to participate in this year's virtual event.

For those of you who have already made a donation or plan on making a donation, please know that all donations raised for this event will be used to directly support EMPACT's Survivors of Suicide program.

For questions, please feel free to contact me.

Thank you.
